September 12, 2011

Dear Patron,

At Queen of Apostles Catholic School, we are currently planning our annual auction to be held on **Saturday, November 5, 2011**. This is our largest fundraiser and each year we target the monies to be used to enrich the academic and social environment of our students.

In the past few years, we have used money from our auction to purchase Active Boards for each classroom and to replace our playground equipment. We currently are researching a lab based science program for kindergarten through eighth grade and a robotics program for our middle school. Our immediate goal is to provide upgrades to our technology, offer further teacher development, and to improve our facilities. However the money is used, it will benefit our students and thus our community.

There are several ways that you can help Queen of Apostles Catholic School to continue to provide an excellent education to our students. You may donate any item or service of value to be auctioned off at the event; you may be a Patron Sponsor; or you may place an ad in our event program. All contributors will be recognized in the auction program.

Queen of Apostles School is a non-profit organization and all donations of goods and services are tax deductible (TIN # 540755475). Since 1965, we have provided children with a solid education and a strong spiritual foundation, helping each child realize his or her full potential. Our families support the community in many ways including service projects, participation in club sports, and patronizing the local businesses.

If you have participated in our auction in the past, we thank you once again. If you have not, please consider doing so this year. We will pick up any donated item or you may mail your donations to:
